Practice Areas

Business Law - including all manner of day-to-day commercial issues and corporate matters, as well as "bet-the-business" counseling and strategizing. Significant focus on "food law" - including product label review and advice; advertising materials review and advice; responses to claims regarding misbranding, adulteration, and failure to notify regarding allergens; counsel regarding federal and state regulatory matters; and counsel and guidance during "crisis" situations, including investigations and detention orders. "Food law" counseling provided to manufacturers, processors, distributors, grocers and other retailers, restaurant owners, growers and farmers. Other subspecialties include franchise law, dealer/distributor law, and antitrust counseling.
